INSTRUCTIONS FOR USING WATERLINE

Review the Waterline Terms of Use and get any site codes you need. These are available here at the Waterline web site or at Waterline customer service at 800-945-3376.

Click a site below to get current information, or call a Waterline 800 reporting number. After the intro, enter the six digit code for the site you want and listen to as much of the report as you wish. You can enter another site code at any time during the call. Sites are reported in Eastern Time unless otherwise noted.

'1 hr', '2 hr' indicates how often stage and/or flow readings are refreshed. 'Forecast' means site report has future flow projections. Report types may change at any time. All interpretation is your responsibility.
